

MEDICAL BILLING AND CODING SPECIALIST

DIPLOMA

Possible Employment Opportunities*

- Medical Biller ◀
- Medical Coder ◀
- Medical Records ◀
- Medical Insurance Specialist ◀

The Medical Billing and Coding Specialist Diploma Program is designed to prepare students to obtain entry-level positions in the medical billing and coding field through a combination of both clinical and administrative training. Students will learn and practice how to use management software and electronic health records (EHR). They will further become proficient in medical insurance and billing using the ICD-10, CPT, and HCPCS II coding system manuals. The program is focused on preparing students for certification.

Certifications

Student are eligible for certification for:

- [NCICS] National Certified Insurance and Coding Specialist [NCICS] from the National Center for Competency Testing [NCCT]
