

NUC University – Florida Technical College

An academic unit of NUC University / Una unidad académica de NUC University

Licensure or Certification Disclosure / Divulgación de Licencias o Certificaciones

The following programs are designed to meet educational requirements for a specific professional license or certification that is required for employment in an occupation or is advertised as meeting such requirements. Information regarding whether completion of these programs would be sufficient to meet licensure or certification requirements in a State for that occupation is provided in the chart below, utilizing the following abbreviations:

- **"M"** identifies States for which the institution has determined that its curriculum meets the State educational requirements for licensure or certification
- **"NM"** identifies States for which the institution has determined that its curriculum does not meet the State educational requirements for licensure or certification
- **"ND"** identifies States for which the institution has not made a determination that its curriculum meets the State educational requirements for licensure or certification
- **"NR"** identifies States for which professional license or certification is not required for employment in the field of study

Los siguientes programas están diseñados para cumplir con los requisitos educativos que conllevan una licencia o certificación profesional específica para emplearse en una profesión o se publica que cumple con dichos requisitos. En las siguientes tablas se ofrece información sobre si al completar estos programas sería suficiente para cumplir con los requisitos de licencia o certificación en un Estado para emplearse en esa profesión, la misma utiliza las siguientes abreviaturas:

- **"M"** identifica los Estados para los que la institución ha determinado que su currículo cumple con los requisitos educativos del Estado para la licencia o certificación
- **"NM"** identifica los Estados para los que la institución ha determinado que su currículo no cumple con los requisitos educativos del Estado para la licencia o certificación
- **"ND"** identifica los Estados para los que la institución no ha determinado que su currículo cumple con los requisitos educativos del Estado para la licencia o certificación
- **"NR"** identifica los Estados para los que no se requiere licencia o certificación profesional para emplearse en el campo de estudio
