# MEDICAL ASSISTANT TECHNICIAN WITH EMPHASIS IN BASIC X-RAY DIPLOMA

The Medical Assistant Technician with Emphasis in Basic X-Ray Diploma program prepares the student to acquire the necessary skills to perform under the supervision of a physician providing medical office administrative services, clinical duties including patient intake and care, routine diagnostic and basic x-ray procedures in the classroom and a supervised clinical practice or capstone. Graduates will be eligible for Basic Machine Operator licensure.

## Certifications

Students are eligible to take the following certification test:

- National Certified Medical Assistant [NCMA] from National Center for Competency Testing [NCCT].
- Graduates will be able to sit for the Basic X-Ray Machine Operator exam administered for the Florida Department of Health by the American Registry of Radiologic Technologist [ARRT].
